# President's Welcome

---

Hello everyone,

I am pleased to welcome you to the 125th annual Calgary Bull Sale. This sale is known all over the world for the quality of the bulls sold.

Cattle prices remain strong and things are looking good for the beef industry in 2025.

I think you can purchase with confidence at the sale. All of our consignors have been at this for a long time and are well-established cattlemen who know what they are doing when raising seed stock.

The Hereford breed is proving that they are the most feed-efficient breed with all of the testing that has been done lately. Ranchers sure need cattle that provide this trait in times like these.

I would like to thank all of our sponsors who are supporting our 125th sale milestone. Without them, it would be very tough to hold an event like this!

We look forward to seeing you at the bull sale!

Sincerely,

*Rob Nixdorff*

President

# Services Offered

---

- All bulls are halter broke.
- Exceptional value for herd-improving genetics from top Alberta Hereford breeders.
- To ensure buyers see the bulls in their natural state, the show is "dry brush" only. Not using glues, adhesives or paint also ensures that the environment in the barns is healthy.
- Unmatched-quality bulls to meet every budget.
- Friendly, professional service.
- Load-out: We will load bulls for you. There will be a protected area outside the sale barn for load-out. No parking will be allowed within load-out zones on sale day. This will be strictly enforced.
- Heated, indoor facility with free parking
- Catalogue EPDs are current at time of printing

# BETTER YOUR BEEF --- HEREFORD

## **Better returns with Hereford crossbreeding.**

Progressive producers know that better beef comes from better crossbreeding. And that adds up to better profits. Crossing your Angus herd with the best qualities of Hereford improves profitability through improved animal health, fertility and feed efficiency compared to straightbred cattle.

It's time to better your beef, and better your business, with the tried-and-true benefits of Hereford.

## MEMORIAL TROPHIES

The Best Group of Five Bulls award is presented in memory of Charles Jones. Charlie was a passionate Hereford breeder that was a Director of the Alberta Cattle Breeders Association for 26 years. Charlie believed that if you wanted to buy a good bull you had to buy it from a good string. The award for the group of five is most fitting, and in 1972 the Alberta Hereford Association donated a trophy in Charlie's memory.

The Doug Jones Memorial trophy is presented to the Best Group of Three Bulls. Doug was an enthusiastic Hereford breeder that loved the Calgary Bull Sale as much as his father Charlie. Doug and his family operated as Jones Circle V Ranch west of Balzac. He was a respected cattleman that judged many major shows in North America as well as England and Scotland. The Calgary and District Hereford Club sponsored a trophy in Doug's memory following his untimely death in a farm accident in 1978.

James (Jim) Hole was an influential breeder in the 1960s and 1970s. He was a long-time consignor at the Calgary Bull Sale and while never winning the Austin trophy he did have numerous reserve champion bulls and more importantly many high selling bulls, a feat he achieved seven times in his career. The memory of distinguished Hereford breeder Jim Hole is honoured with the annual presentation to the Champion Get of Sire at the bull sale.

# Terms & Conditions

---

1. The terms of this sale are cash or cheque payable to the Alberta Cattle Breeders Association. The right of the property does not change hands until full settlement is made. All settlements must be made before any animal is released.
2. Alberta Cattle Breeders Association is Agent Only: It is to be clearly understood that the Alberta Cattle Breeders Association is only acting as a medium between the buyer and seller. The Association is not in any way responsible for failure on the part of either party to live up to their obligations; nor does the Association assume any financial obligations to collect or enforce collection of monies between parties, and any legal action taken in exceptional cases must be between the buyer and seller.
3. Purchase of Animals: All sales are to be in Canadian dollars, payable, at par, in Calgary. U.S. funds will be accepted at the current rate of exchange for the purchase of all livestock. Exchange rate will be announced by the auctioneer at the start of the sale. The Secretary is prepared to purchase animals for persons unable to attend the sale personally. The greatest care will be used in executing such orders in accordance with instructions given by the purchaser and no charge will be made for this service. A purchaser should send a cheque in the amount he is willing to pay. Proper refund will be made if a suitable animal can be purchased for less than the amount sent.
4. Bulls Selling to the United States: There will be a \$500 CAN export cost added to the sale price of each bull for health testing, trucking, brokerage charges and administration on all bulls exported to the USA. This export fee will cover all costs incurred prior to the bull's arrival at the USDA Veterinarian at Sweetgrass, MT.
5. Delivery: Buyers and sellers will coordinate the delivery of bulls. Sellers and buyers must coordinate all necessary transportation arrangements and let the settlement office know. The seller is responsible for feeding and watering of bulls. Buyers must supply feed for the animal(s) while in transit.
6. In 2025, the entries will be catalogued and sold in the following order:  
(F, G, H, IJK, L) (M, N, O, PQ, R) (S, UV, W, XYZ, T) (A, B, C, D, E)
7. The consignor of the Grand Champion and Reserve Grand Champion will sell at the start of the sale. The consignors of Grand Champion and Reserve Grand Champion are obliged to sell their entire string of bulls with the Champions.
8. Bulls sell in entirety and entire ownership changes hands at the fall of the Auctioneer's hammer, unless specific requests have been made to the Alberta Cattle Breeders Association Board of Directors. Requests must be made in writing.
9. All semen drawn prior to sale and disposition of same must be announced and declared publicly prior to sale, therefore the breeders name may remain on the registration paper for in herd use.
10. In case of typographical or other errors discovered, the Auctioneer will announce corrections and a memorandum of such corrections shall take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to the auctioneer's announcements.
11. Disputes: If any disputes arise between two or more bidders it shall be settled by the animal or animals being again put up and resold. The decision of the Auctioneer shall be final in all such cases.
12. By-Bidding: There shall be no by-bidding by the owner of an animal or anyone authorized by the owner. Statutory Declaration may be required from any buyer or seller to the effect that any purchase of sale is bona-fide and that there has been no by-bidding in connection therewith. Any owner guilty of by-bidding or authorizing anyone to do so for the owner will be excluded from participating in future sales for a term to be determined by the Executive Committee.
13. Private Sales: Bulls consigned to the sale must be sold by auction. Animals not entered for sale will not be allowed on the sale premises.
14. Ownership and Settlement: Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal, in cooperation with the seller to the best advantage, either publicly or privately, without further intimation, and any loss arising from such resale, together with keep and all other expenses will be collected from the defaulter.
15. Immediately after each purchase is declared, the risk of the animals shall be exclusively with the purchaser, and it is declared that until a settlement shall be made in the terms of those conditions, the delivery of the animals shall be suspended.

---

16. Breeding Guarantee: Should a bull fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing, within six months following date of purchase, to the consignor. If satisfactory agreement cannot be reached between buyer and seller, the Association will attempt to mediate a settlement.

17. Under the “Breeding Guarantee” - in no event will the consignor be liable to the purchaser for more than the purchase price paid at the Calgary Bull Sale for the bull in question.

18. Liability: Notwithstanding anything to the contrary herein contained, it is understood that each consignor, by the act of entry for exhibiting, waives all claims against the Alberta Cattle Breeders Association and/or the Century Downs, and/or any of the members, officials or agents thereof, for any and all injury, loss or damage, which he/she, his/her employees, helpers and/or property may sustain arising in any way out of the operations or activities of the said Association and/or Century Downs, officers, members or agents and indemnifies the said Association, and/or Century Downs officer, member or agents from and against any loss or damage sustained by the said Association and/or Century Downs by reason of any claims made by any of his helpers or employees or their executors, administrators, or assign and that any helpers or assistants introduced to or engaged by any consignor through the said Association and/or Century Downs, or through their members, officers, or agents shall be at the sole risk and responsibility of such consignors.

19. Management of Sale: The management will be under the control of the Executive Committee of the Alberta Cattle Breeders Association, and the Management has entire charge of all bulls in the sale area, stable accommodation and routine. The consignor hereby appoints and constitutes the Association as his agent for the purposes aforesaid with full power and authority to sub-delegate its authority and powers.

20. Every care will be exercised by the management to prevent injury to or loss of property and to ensure prompt delivery of animals. The Association (acting only as agent) will not be responsible for any loss or damage that may occur, nor for any stock incorrectly routed, whether through negligence on the part of its officers or servants or not. Insurance against loss should be taken out by the owner, should they consider it necessary. In all cases, however, the influences of the Association will be exerted as far as possible, to hold all parties strictly to these regulations.

21. The consignor is not responsible for damage caused by foreign bodies after the bull is sold or for sickness not apparent at sale time.

22. All transportation charges on bulls returned to the consignor are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

23. Feed, Water, Etc.: An initial base of bedding will be supplied. All contributors will be required to supply all necessary feed and care for their bulls up to and including the last day of the current year's sale. Any contributor failing to comply with these regulations may be excluded from participating in future sales held by this Association.

24. Release of Bulls: Consignors are prohibited to tear down or load out bulls until all breed sales are completed. No bulls may be removed from the sale premises without a release slip, which must be presented to designated staff upon release. Stall tear down and move out will not be allowed until all breed sales are complete.

25. Insurance: Buyers are encouraged to purchase insurance on the bull(s).

26. Executive Committee Right: The Executive Committee reserves the right to decide any point not covered by the rules which said committee considers necessary in the proper regulations and management of sale.

27. Sale Agreement: Every person who contributes a bull to the sale and everyone who bids at the sale, by doing so agrees to the foregoing terms and conditions of the sale.

28. Smoking Policy: No smoking will be permitted in the Sale Barn at Century Downs.

29. Alcohol Policy: The serving and consumption of alcoholic beverages in a non-licensed area of a public building is illegal and in contravention of the AGLC regulations. Additionally, this practice poses liability and safety issues for all stakeholders (directors, agriculture representatives, youth and you the consignors). The serving and consumption of alcoholic beverages in a non-licensed area is prohibited. Failure to comply with rules may result in suspension from participation in the current year's sale and future sales at the Calgary Bull Sale.
